About me:

I'm an animator of all sorts with an emphasis on 2D animation. I'm hooked on learning new things and submerging myself into the unknown, I love exploring ideas, cultures and nature. I pick up and adapt new skills on the spot and I'm self driven and passionate about my work. And I'm also easily motivated, especially when within 0.5m radius of a cup of tea.

Objectives and wants:

To be a part of something cool and important, stay excited, grow as a creative practitioner and help others achieve their full potential too.

Education:

2016 –present BA (Hons) Animation at University of the West of England, Bristol

February 2016 BFI Animation Academy Residential camp

September–December 2015 Super Earths and Life Certificate at Online Harvard University Astrophysics course via EDx platform

2015–2016 Foundation Diploma in Art and design (Distinction) at Weston College, Weston-super-Mare

Skills:

2D digital Animation
Sand on Glass
Paper Cut Out
Claymation
Puppet Animation
Character Animation
Natural History Illustration
Pop up Book Design
